

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

December 16, 2021

Dear King Members, Friends, and Family:

As many of us continue to celebrate the holidays, we again encourage you to please exercise caution to remain safe and healthy. Continue to wear a mask when out, remain six feet away from others, avoid crowds and poorly ventilated spaces, wash your hands frequently, and get vaccinated. We want staff, members, and community to enjoy this special time together but we must remain ever vigilant so that we do not spread this very harmful virus.

Since we updated you on December 14, we have had 1 employee test positive for COVID-19. Currently, we have 4 cases of COVID-19 on campus (1 member, 3 employees).

The WDVA will not be mailing paper copies of COVID-19 notifications for the Wisconsin Veteran Homes from December 20 – January 3rd. Instead, a brief update will be posted on www.WisVetsHomesCOVID.com. We will resume more comprehensive updates again on Monday, January 3, 2022.

Finally, if you are feeling sick, get tested. Whether you have COVID-19, the flu, or something else, a proper diagnosis gets you treatment faster and protects everyone around you.

Thank you for your commitment to our health and safety.

Sincerely,

Tammy Servatius, Commandant
